ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

## JUDGE R. S. ROSE TALKS STRAIGHT FROM THE SHOULDER

Before giving his opening address to the petit and grand juries Monday, Judge R. S. Rose introduced Rev. John Owen Gross, who took occasion to congratulate those present and the county generally that we again have a county health nurse in the person of Miss Edna A. Reinstedler and forthwith introduced her to the assembly.

Miss Reinstedler made a neat little speech saying she was glad to be with us and stating that if she can be of service to anyone in any way she will appreciate it if called upon. She said that as a stranger she will be glad if people will speak to her and get to know her so that we may all work together. By having the kindly assistance of everybody she feels that the work can be made a success. Personally, she promised to do all possible to that end. Her talk was greeted with applause.

Judge Rose, in speaking to the juries said the enforcement of law is partly a psychological matter. If people get the idea the law is going to be enforced, there will be much less crime in the country. The reverse is also true.

It is of supreme importance that the Grand Jury be composed of honorable men. "I hate the idea of men trying to get away from jury duty because they can make more money at something else. It is a matter of common duty that men should serve."

Judge Rose urged that they take their work seriously and not permit friendship, enmity, partisanship nor anything else influence their plain duty. The spineless man ought not to be found on the Grand Jury. He is totally unfit for the work.

He urged that indictments be returned in those cases where men think they can wink at the law, such as compulsory school law, the road law. The main cause of crime is ignorance and the school law must be obeyed.

The speaker quoted Ezra as "one set on keeping the statutes and ordinances of Jehovah" and not only knowing them but doing them.

Don't fall for buncombe, lying or perjury. They are rampant.

Judge Rose said he did not propose to run his court on hysteria, but along the lines of justice to each man and common sense. "I want to do it so that I can live and die by it." He said he got sick and sore over the anonymous letters he received about crime when the same people had not the courage to take such facts to the Grand Jury.

There is nothing that takes the heart out of the Commonwealth Attorney or any other officer as when a man is turned loose and they know that it has been done by the shrewdness and cunning of some criminal lawyer. "Don't let them send you snipe hunting. I have known them put a thing over and then laugh about it afterwards." He spoke of instances where people have attempted to influence cases by personal appeal out of court to prevent trial.

England convicts 85 per cent of its homicide cases — the United States turns loose 85 per cent. Of 384 cases in New York there were only 48 convictions last year. Where about four or five years ago Federal cases numbered 9,000, last year they numbered 70,000. All this is due to the lax enforcement of the law.

Judging by the faces of those present the address made a most favorable impression. If the precepts laid down by Judge Rose are carried out in Knox County there is no doubt we shall have a better and cleaner county.

## RED ROBERTS SISTER CAN HAVE ALL BLOOD WANTED

Red Robert's sister can have all the blood that is in the Centre College football team.

This assertion was made by "Humph" Tanner, fullback of the team.

Mrs. Kenneth Humphries, sister of Roberts, is in a critical condition due to anemia. Surgeons say four transfusions of blood will save her. Roberts has already given a gallon of his blood on different occasions. Tanner gave a pint Saturday. He arose from the operating table and went to a dance.—Lexington Leader

Mrs. Humphries has been dangerously ill for several months and her host of Somerset friends have been anxiously watching the reports from her bedside. She was reared in Somerset, where her father and mother Mr. and Mrs. J. M. Roberts now reside.—Somerset Commonwealth.

## ALBERT BOSTON HURT

Albert Boston, 21 years of age, a telegraph operator at the L. & N. depot on the third track, was hurt Thursday morning when, in giving orders to the trainmen, his foot slipped from the moving train and he fell partly under the train. By the quick presence of mind of Tom McDonald, who grabbed his feet and pulled his out of his perilous position, his life probably was saved. His back is badly skinned but it will require some time to learn how badly he is hurt. He is now in the Logan Hospital under the care of Dr. J. G. Tye.

## MENTAL HYGIENE COMMITTEE MEETS

John M. Tinsley and a number of the Commission on Mental Hygiene went to Louisville Tuesday to attend the first meeting of the committee. Mr. Tinsley was responsible for putting this thru the legislature and making arrangements with the national commission for a survey in Kentucky. This committee will outline the work for the medical members of the national commission which is established by the Rockefeller Foundation and is done free of cost to the state. Mr. Tinsley was the first member appointed on the commission which includes prominent people from over the state.

## BIG ATTRACTION COMING UNDER AUSPICES OF BAND

The officers of the Barbourville Band have arranged to bring The Paramount Players here for an engagement lasting one week starting next Monday night. The Paramount Players is, without question, one of the leading dramatic organizations of the South. Years of study and work, coupled with unusual ability have built this organization to a standard of perfection rarely found in these days when rush and hurry seem the watchword and inferiority the result.

The company is headed by Emma Marie Davis, an artist of vast experience and great accomplishments. She is ably seconded by her talented daughter, Mary Theresa, just in her teens but who has inherited the splendid talent of both her parents and displays artistry far beyond her years.

Among the plays that will be presented here are "The Lone Star Ranger," the dramatization of Zane Grey's novel; "The Coyote," a story of the Northwest Mounted Police; "The Little Lost Sister," a powerful moral play for young girls; "When Beards Went Dry," a severe arraignment of illicit distilling; "The Burglar," "Uncle Tom's Cabin," and "The Thief."

Ladies will be admitted free on Monday night upon payment of five cents tax.

## BRIDGE-TEA

Mrs. W. H. Dishman was hostess at a charming bridge-tea from two to five o'clock last Wednesday afternoon at Dishman Springs Hotel. ## HON. CALEB POWERS VISITS HOME FOLKS

Hon. Caleb Powers returned Wednesday from Trosper where he visited his mother, Mrs. Elizabeth Powers, who is ill. Mr. Powers left Thursday for Washington to resume his duties as Counsel for the United States Shipping Board in which position his talent as a lawyer has saved millions to the United States Treasury. He was, of course, delighted to be among his old friends again, a pleasure, however, mitigated by his mother's illness.

## AUTO ACCIDENT

The little child of Dave Crook, of Grays, suffered a badly cut lip and body bruises and the driver of the car was bruised when hit by one of the ten cars that were being run from Cincinnati to Knoxville.

Mr. Crook filed suit and attached some of the cars.

It is alleged that the driver of the offending car was on the wrong side of the road and that hitting a loose dirt heap his car plunged into the Grays car inflicting the injuries as mentioned.

The case is set for Tuesday of next week.

The Sunday picnic of the I. O. O. F. was a great social success. About two hundred and fifty were present. Speeches were made by Judge F. D. Sampson, Judge Tuggle, James McFarland of Corbin, Mrs. Sarah J. Hughes. Dinner was spread on the grounds at Dishman Springs and acquaintances were renewed from all over the county. It was a most pleasant affair.

The next meeting will be at the home of Dr. J. E. Faulkner Friday, August 25, instead of Sept. 1st, on account of the Fair.

The Aid will sell lunches, ice cream and cake at the School Fair the last of September.

## PLEASANT PARTIES

The series of parties which are being given by Mrs. James R. Tuggle began with an Auction Whist Luncheon at Dishman Springs on Monday when the morning's enjoyment of whist was followed by a delicious luncheon. Mrs. Tuggle was assisted by Mrs. W. R. Hughes, Mrs. Robert Blakeman and Miss Cora Sevier.

The second of the series was an afternoon tea given at the hospitable home of Mr. and Mrs. J. R. Tuggle on East High Street to which another coterie of her friends was invited. The guests were received in the reception hall by Miss Gertrude Black. Others assisting Mrs. Tuggle on this occasion were Mrs. Hughes, Mrs. Davidson and Mrs. Blakeman.

The house was beautifully decorated with summer flowers—the dining room being made especially attractive with nasturtiums and Southern smilax. The rainbow color scheme was carried out in the collation as well as in the decorations and gave an added touch of brightness and beauty.

## WHY THAT LAME BACK?

That morning lameness—those  
sharp pains when bending or lift-  
ing, make work a burden and rest  
impossible. Don't be handicapped  
by a bad back—look to your kid-  
neys. You will make no mistake  
by following this Barbourville resi-  
dent's example.

Mrs. W. M. Lambdin, N. Main St.  
says: "I had an attack of kidney  
trouble and my back pained. I had  
spells of dizziness that would almost  
blind me. Several times when I  
stooped over to get anything I fell  
right down and everything turned  
black before me. My kidneys were  
weak and irregular at times. In the  
morning I felt so tired and languid  
it was hard for me to do my house-  
work. A neighbor advised me to  
take Doan's Kidney Pills and I took  
two boxes which cured me right  
away."

Price 60c at all dealers. Don't  
simply ask for a kidney remedy—  
get the same that Mrs. Lambdin  
had. Foster-Milburn Co., Mfrs.,

by J. A. Owens, left Tuesday for

Huntington, W. Va., are visiting at  
the homes of Mrs. A. W. Hopper and  
Dr. G. H. Albright.

Mr. and Mrs. Guy Dickinson and  
Mr. and Mrs. Edward Scent had a  
mutual birthday party Friday at  
Dishman Springs, the occasion being  
the birthday of both ladies.

Josh Faulkner, who has been at  
work on the engineering section of  
the London road, has returned  
home as it is impossible to get stone  
for construction on account of the  
strike. He will attend Union Col-  
lege this year.

Dr. Geo. M. Klepfer preached at  
the union service Sunday night. A  
good crowd was present. Dr. Rea-  
gan and Miss Lella Vincent were the  
soloists and sang beautifully. Next  
Sunday's service is the last of these  
union meetings for the season. Rev.  
A. A. Ford in charge. A good crowd  
is hoped for.

Now, ladies, as the Knox County  
Fair is here and you will be sure to  
want a new dress or a pair of ox-  
fords, remember the Star Store has

#### BOY CHOKES TO DEATH

John Terrell, little son of Mr. and Mrs. John Terrell, colored, living on the Artemus road, killed himself in a peculiar manner Thursday of last week. The child, who was a little over three years old, went to his grandfather's home and on his return he stopped at a neighbors where an iron headstead was standing against the side of the house. He took hold of the bed and pulled and was knocked down the bed falling across his throat choking him so badly that he died shortly after being taken out. The funeral was held Friday in the colored cemetery on Fighting Creek.

"Some time ago, I was very irregular," writes Mrs. Cora Robie, of Pikeville, Ky. "I suffered a great deal, and knew I must do something for this condition. ## Mother-To-Be, Read This—

There is a wonderful message to all expectant mothers. When the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Harman, Scranton, Pa., says: "With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse! We had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes."

Note: Write for valuable free illustrated book, "Motherhood and the Baby," containing important authoritative information which every expectant mother should have, and all about "Mother's Friend," in Bradford Regulator Company, Box 21, Atlanta, Ga. "Mother's Friend" is sold by druggists everywhere.

### DELIGHTED WITH DISHMAN SPRINGS

Mr. and Mrs. R. G. Williams and son are guests at Dishman Springs this week and are delighted with it. Mr. Williams was a visitor at the Advocate office Monday. As he is owner of the Corbin Times-Tribune and therefore a sidelpartner of newspaper men generally, he had to come in and get the atmosphere of this great organ of thought and progress.

The waters of Dishman Springs have put his recalcitrant stomach on a non-skid basis and he is eating at an astonishing rate since going to the Springs. We trust it will not be necessary to remove his liver and kill it with a club when he passes to his reward some fifty years hence. In one of his stories Mark Twain gravely recounts such an incident about a drinker of mineral waters. It might happen again as there is nothing new under the sun.

Mr. Williams served as Judge of the County Quarterly Probate Court, Rockcastle County, and spent two terms as Commonwealth Attorney of Kenton County. His home is at Covington.

## Felt—The Key To Roofing Strength

Knock out the keystone of an arch—and you have a ruin.

Break down, by time and exposure, the basic material in any asphalt shingle—and you have destroyed a roof.

Genuine Richardson Felt is the key material in Flex-a-Tile Giant Shingles. It "holds" the weather-proof qualities of this superior roofing because it is the perfected product of an organization that has specialized in the manufacture of fine felt since 1868.

This tough, durable fabric is thoroughly impregnated with scientifically tempered asphalt; then heavily coated with natural asphalt on both sides—the outer-coat to keep out heat, cold and moisture from above, the under-coat to give equally needed protection from beneath.

### FLEX-A-TILE

HOUSE TOPS

And Flex-a-Tile Giant Shingles look as well as they wear, because on their outer surface is an enameled coating of rich green slate (or red if you prefer) from the Richardson quarries in Georgia.

An important economy point is that this large-size, extra-weight shingle can be laid over an old roof as well as on new sheathing, thus saving the labor of tearing off old shingles, and affording the extra insulation of a double surface. In fact no other type of asphalt shingle gives such satisfactory results when used in this way.

Telephone for further information.

T. F. FAULKNER

Flex-a-Tile Giant Shingles are 50% heavier and 100% stiffer than standard asphalt shingles and cost less than a third more. The extra thickness adds to the beauty of the roof as well as to its permanence. Flex-a-Tile House Tops are a product of The Richardson Company.

## A MILLION DOLLAR BABY

Naturally, those who see this heading expect to read about some "baby" of an American multi-millionaire, and they will be surprised to learn that such a description applies to a scientific pyorrhea preventative, tooth and mouth preparation, and they will doubtless wonder how such a product ever came to be spoken of as a "million dollar baby." So the story must be told. Over three years ago, the Research Department of the Rexall Company, in consultation with chemical specialists, began an exhaustive investigation into the disease Pyorrhea, and its proper treatment, and in their characteristically thorough way spent over two years before they perfected a compound which answered every test, according to their high standards. Such a remarkable demand has been created that they have named it "The Million Dollar Baby." Probably no preparation that is devised for use as a germ combatter was found so efficacious in preventing all contagious diseases that enter the system through the mouth and nose as Klenzo Liquid Antiseptic. Especially was it proved that users of it completely escaped all attacks of the flu when so prevalent last year. This Rexall product can be purchased in 25c. and 50c. special toilet bottles at
